Dear Professional Partner,

At DASSAULT SYSTEMES SOLIDWORKS Corporation, we are committed to providing the best quality products and services to our customers. As we continue to invest in our portfolio, we would like to make you aware that on August 1, 2019, we will raise the prices on desktop network licenses and network subscriptions.

The details :

- The network products included: SOLIDWORKS, PDM, and Manage (including PSL), Simulation, SW Simulation Flow, SW Plastics, SW Composer, SW Inspection, SW CAM, MBD, SW Electrical, SW PCB, and SW Visualize.
- **10% increase on Network Licenses and 10% increase subscription service for these licenses. PSLs and global licensing are included.**
- This increase also impacts the network installation fee (please refer to the new price lists, to be published August 1, 2019).

If you have any questions, please feel to contact your Subscription team member or your sales contact.

Best Regards,
