## THREE TYPES OF STUDENT PRODUCTS

- Student Edition (SE) You can purchase the Student Edition through the SOLIDWORKS Student Store. <u>www.solidworks.com/studentstore</u>
- Student Premium (formerly Student Engineering Kit/Student Access SEK)
   If your school is eligible, students should receive a Serial Number (License Key) and SEK-ID from their teacher. Once you have obtained both of these, go to <u>www.SOLIDWORKS.com/SEK</u> and complete the Community Download form shown below to start the download process.
- Student Standard (formerly Student Design Kit SDK)
   If you have obtained a SDK-ID from your School/ University go to <u>www.SOLIDWORKS.com/SDK</u> and complete the Community Download form shown below to start the download process. You will receive your Serial Number after the download is requested and will also receive a copy via email.

   Note: Please check your junk mail if you do not see it within an hour of submitting the form.

### HOW TO INSTALL SOLIDWORKS

#### **Troubleshooting Tips**

- Open and unzip the downloaded SolidWorksSetup.exe file to start the Installation Manger.
- All the products you are entitled to are automatically selected for installation. You don't need a separate serial number for different products.
- Student Standard only includes SOLIDWORKS Standard and SOLIDWORKS CAM. You will
  receive a separate Serial Number for both products.
  No Add-ins like Toolbox, Photoview, Simulation, etc. are included.
- Student do not have access to Log in option
- Please visit this link to learn what products are included in the Student Edition, Student Premium and Student Standard: Please visit this link for more details: https://www.solidworks.com/product/solidworks-3d-cad
- 1. Once the Installation Manager is running, select the option **Individual (on this computer)** and click the **Next** arrow.

2. Input SOLIDWORKS CAD serial number under 3D Design and leave other fields blank, click **next**.

The Installation Manager will now check and verify you have the system requirements to run SOLIDWORKS. If something is amiss, you will be notified. This process may take several minutes.

#### **Industry Certifications**

Any school or team that receives Student Premium is most likely eligible to receive our Industry Certifications for free. These certifications are to further increase students resumes and give them an edge when looking for jobs. These certifications prove the students' knowledge of 3d visualization. Please reach out to your teacher and Reseller to learn how to administer these exams.
