Dassault Systèmes SolidWorks Corporation wants to help you develop the engineers and innovators of tomorrow. That is why we are pleased to sponsor your FIRST team.

Student teams now have the choice of using our SOLIDWORKS desktop product, which includes over twelve powerful design, and engineering products. OR the 3D EXPERIENCE platform, a cloud-based portfolio of integrated tools and apps. Teams can apply for both sponsorships separately if they choose. Team sponsorship is good until July 31, 2023.

**How to Apply**

Interested teams should complete a short online sponsorship application. Within five business days, the team will receive an email confirmation with instructions on how to access the product.
